**Approval items:**

  - o Changing President and Co-President to: President, Vice President, and 2<sup>nd</sup> Vice President; listed duties have been added to. Staci Altman motioned to approve, Stacy Williams seconded. Passed with affirmative vote (no nay votes).

  - o Math manipulatives wanted for K-6 students.
  - o 4 ESE teachers work in Elementary; kits would be shared.
  - o \$535 cost
  - o Mr. Hathaway mentioned that he just received LLI funds that will cover that cost, so need to put before a PTO vote.

  - o A second quote came in that is approximately \$17k cheaper than the first quote. \$37,000 is the total of this quote.
  - o \$21,000 more earned in Boosterthon than we estimated, so we have the funds. This company works a little slower, so we'd like to get this going asap. The structures will go over both playgrounds.

- Motion to approve sunshades: Chantel motioned, Stacey seconded. Passes unanimously.

### **Principal Hathaway's Report**

- Look at the website and let admin know if you have any feedback.
- More families are moving in from out of state. 43 kids have been added since the beginning of the year and 13 are in the queue. We have lost only 8. Building capacity is 1200 and we estimate we'll be at capacity next year.
- 10 days away from 100<sup>th</sup> day of school. Get outfits ready!
- Mr. Hathaway took some heat this week over Muffins with Moms. Call went out to families after it was at capacity (oops). We opened another date to accommodate more on Jan 23<sup>rd</sup>. 140 people have moved over to the second date, but we need more to move over. Cafeteria accommodates 384 people. We'd have to have 8 events to accommodate the entire student body.
- Ideas:
  - Make the announcements about activities when they're coming soon so families can prepare?
  - Maybe have 5 breakfasts throughout the year and families can bring whoever they want? Stipulation: families can only attend once.
  - We can offer 2 dates initially and let people choose between the dates from the get-go?
  - Emphasis on: we are learning a lot as our first year as a school and PTO!
- Another big thank you to Christina for her service.

- Should we include Middle Schoolers? We’re thinking we won’t advertise any age. If Middle Schoolers want to come, we don’t need to turn them away.
